Birthday Rides on the Zeum Carousel

Take a spin back in time on the historic Zeum Carousel that was formerly a beloved fixture at the San Francisco amusement park, Playland-at-the-Beach. The carousel- built in 1906 by Charles Looff- features a whole menagerie of elaborately hand-carved animals, including horses, giraffes, camels and more! Restored to its current location in 1998, the Zeum Carousel now offers a fanciful ride for all ages.
