

Fee-Waived Community Partnership Program

Dear Community Partner:

Due to the impact of the current economic climate on our resources, we regrettably must phase out Zeum's Assisted Organizational Membership Program, *effective immediately*. We thank all of our partner organizations who took advantage of this program to connect the youth and families you serve to Zeum's hands-on, multimedia learning experiences.

For those who currently hold fee-waived organizational memberships:

Your fee-waived organizational membership will continue through the end of your membership or until April 30, 2010, *whichever comes first*. Starting May 1, 2010, we hope to have a new and stronger community partnership program that will allow your organization/group to take advantage of our offerings.

For those seeking assisted programs at Zeum:

The Zeum Staff is working with community and funding partners to create an assisted program that meets the needs of all San Francisco Bay Area families and organizations. If you have any suggestions/feedback about how we might best serve you, please send your feedback with subject line, "*Fee-Waived Community Partnerships*" to Michael Nobleza, Director of Development & Marketing, at mnoobleza@zeum.org.

In the interim, Zeum will be offering limited, free vouchers equivalent to a certain number of admissions to qualifying organizations. Vouchers will be distributed to those organizations that demonstrate need and will be based on **organizational** budget size. Each organization may make a request only ONCE in the next year:

Org. Budget Size	Vouchers to be Offered Equivalent to...
\$1 million +	5 general admissions tickets <i>or</i> 5 Carousel tickets
\$500,000 - \$999,999	8 general admissions tickets <i>or</i> 8 Carousel tickets
\$250,000 - \$499,999	10 general admissions tickets <i>or</i> 10 Carousel tickets
\$100,000 - \$249,999	12 general admissions tickets <i>or</i> 12 Carousel tickets
Less than \$100K	15 general admissions tickets <i>or</i> 15 Carousel tickets

To be able to continue to offer assisted programs in the future, we request that **ALL** organizations who take advantage of this offering provide a letter of support that expresses the impact that accessing Zeum has meant for your group. These letters help us secure funding for assisted programs and are crucial elements in our efforts to continue our services to organizations like yours.

For those who anticipate visiting Zeum more than once:

If you think you will be visiting Zeum with your group more than once in a year, we suggest that you invest in our Organizational Membership (\$200), which provides one scheduled free group visit per month for groups of up to 20 people. For more information, please visit <http://www.zeum.org/membership/BasicMembership.html>.

As always, groups of 15 or more receive \$1 off each regularly-priced admission when a reservation is made in advance.

Zeum remains committed to nurturing creativity, collaboration, and communication in all youth and their families. Thank you for your support, and we look forward to announcing a new community partnership program soon!

Sincerely,
Michael Nobleza
Director of Development & Marketing
